For health and safety purposes, as well as to confirm that guest rooms are maintained properly, Ronald McDonald House Charities reserves the right to conduct room inspections. There is no expectation of privacy (RMHC or personal) brought into the house. Two staff members and/or volunteers will conduct room inspections (announced or unannounced) on at least a weekly basis. Additionally, you are responsible for securing your personal property at all times. When away from your assigned room you should not leave cash or other valuables in the room. Guests shall not bring offensive, inappropriate or illegal property onto the premises at any time.

If any violation of House rules is identified, the House reserves the right to require correction within 24 hours or immediately terminate the guest's stay.

It costs over \$100 per night, per room, to operate the Ronald McDonald House program. To support the ongoing operations of the House, we encourage, but do not require, guests to make a donation of \$10 per night, or whatever they are able, in order to continue the House operations for future guests. However, no family is ever turned away due to their inability to contribute. Please discuss any questions with the Guest Services Manager.
