

A close-up photograph of a single, rectangular red brick. The brick has a rough, textured surface with visible pores and slight variations in color, ranging from a deep red to a slightly lighter, more orange-red hue. The lighting is even, highlighting the texture of the brick. Centered on the brick is the text "BUY A BRICK: SUPPORT THE RONALD McDONALD HOUSE®" in a bold, white, sans-serif font. The text is arranged in two lines, with "BUY A BRICK: SUPPORT THE" on the top line and "RONALD McDONALD HOUSE®" on the bottom line. The registered trademark symbol (®) is located at the end of the second line.

At Ronald McDonald House Charities, we witness something wonderful every day:

Better Happens **TOGETHER**

You see, hospitalized children heal better when their parents are close at hand. And because better happens when families are together, Ronald McDonald House® provides parents a nearby place to stay while their children heal in area hospitals. Over 650 families stay at the Toledo Ronald McDonald House annually – without charge and for as long as necessary.

In 2015, we moved into the newly constructed Ronald McDonald House that offers an expanded “home away from home” for families with hospitalized children. Our increased number of guest rooms help us serve more guests in a completely accessible, comfortable, and home-like atmosphere. And you can help.

You can be a permanent part of the Ronald McDonald House by purchasing a commemorative paving brick for our outside entryways. Engraved with your name or message, your purchased brick becomes a timeless way to honor a loved one's memory, celebrate a special occasion, or proclaim your support for families in need. Best of all, you'll help offset the costs for operating our House.

Better happens when communities work together to help others. By purchasing a brick you'll join other recognized supporters who make better happen together at Ronald McDonald House.
